## REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims as supported by the specification differs from the prior art in that it does not suggest, disclose or teach that welding is carried out on a back side of the non-adhering medium capable of absorbing the energy.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
